**Morning Worship**

**The Word of the Lord**

**This is a New Day. It starts a new season. Not because it's new to Me, but because it's new to you.**

**Since your mind is geared towards a New Year, I will meet you where you are.**

**I will give instructions for your consideration in your new year.**

**I say consideration because you must choose whether or not to accept My instructions.**

**Should you choose to accept them, the "New" things I have prepared for you will be released in your life.**

**However, should you choose not to accept them, then you forfeit them, though they are ready to be released to you.**

**The choice is yours!**

**Throughout history, I have covenanted with man, and have revealed My will to them, and warned them of the trouble and danger to come.**

**I have always raised up someone who would intercede on man's behalf.**

**Then I sent My Son to make the ultimate sacrifice for man.**

**He saved the world!**

**Since that time, I have sent His Body to the world to share this Good News!**

**Salvation has come!**

**In the years that followed there have been many perilous and devastating events. I have always sent My messengers to warn them. Still, many died, refusing to hear and heed My messenger's words.**

**Again, I AM sending My messengers throughout the entire earth! I send them to prepare My people and warn humanity of what now is, and what is soon to come—if, man does not Repent!**

**The world is in darkness. My servants have been declaring this. And it is gross darkness! Sin, wickedness, evil of all sorts is covering the world. People are out of control! Those in authority do not know what to do!**

**Only I know, and those to whom I choose to reveal the answer.**

**This plague is not over! There will be many more deaths and diseased before it ends. But then comes the next!**

**Look around you! Have you ever seen anything like this before? No!**

**And things will get worse!**

**Yet do not despair My people!**

**I AM with you. Yes, I AM with you indeed!**

**That is why I AM instructing you this day. And I will instruct you in the days to come.**

**Have I not said that I make a distinction between the righteous and the wicked?**

**Between the just and the unjust? The holy and the defiled?**

**So today, heed My instruction and you will live!**

**First, I instruct you to Return to Me.**

**Some will say, 'aren't we in you?' Yes! All who are Mine are in Me. But few have truly put Me first! Others of you have been pulled in by the allure of the world, and instead of following Me, you are caught up, being led about by the ways of the world. Remember, the world is in gross darkness! They are ignorantly being led about by the wicked one! When the blind lead the blind, what happens?**

**If you return to Me, I will lead you. And you will be kept safe and dwell in peace, favor, and blessing.**

**Second, you will get your affairs in order. Now is the time to make changes in how you live. I instructed you to begin this process when this plague began. Some of you started. Some have abandoned the effort. Some of you never took it seriously to begin with.**

**So, I am giving you another chance. This time, take My instruction seriously and do it! I AM with you. I will help you!**

**Third, Now is the time to refocus on your family. I created the family, yet many are being decimated and utterly destroyed.**

**But I have sent out the call to rebuild, to reestablish the family. Not as the world views family, but My purpose and vision for it.**

**I still provide family for the fatherless, motherless, and widowed, that none should be alone on this journey. Though they are never alone because I AM with them.**

**These are my instructions to you. I have prepared everything you need to accomplish them.**

**I counsel you to say yes and begin today! Your future, even the future of the world is connected to My Words to you this day.**

**I will be visiting those who take my Words to heart and seeks to do them.**

**Also, My messengers will be encouraging you along the way. Encourage one another also.**

**Trust Me. I am with you always!**

**Amen, Amen**
